ABOUT ME

I am an individual who has a great interest in IT or Technology. While studying at SMK Plus Pelita Nusantara with a concentration in Software Engineering, I routinely improved my Website Development skills, especially in Frontend Websites so that later I could provide great benefits in the professional world. During school, I also participated in the Devaccto organization, which is a school organization that focuses on the major I am studying.

EDUCATION

PLUS PELITA NUSANTARA VOCATIONAL HIGH SCHOOL | SOFTWARE ENGINEERING | *June 2023 – Present*

Field of Interest: Front End Developer, Website Developer, Flutter Developer

ORGANIZATION

Leader | Devaccto *October 2023 - Present*

- Actively participate in various activities and assignments, including additional learning to improve skills in software engineering, especially in website development.
- Engage in learning projects that involve teamwork to improve skills.
- Become a tutor for colleagues who need help in understanding learning materials related to the field of software engineering.
- Holding a leadership role in the organization, tasked with coordinating members and providing assistance to them in overcoming difficulties related to the field.

EXPERIENCE AND TRAINING

Flutter Developer Internship | PT. Raditya Alkademi Digital *May 2024 - Present*

- Actively involved in Flutter application development projects as part of a project team with PT. Raditya Alkademi Digital, students of the University of Indonesia and PT. Contributing as Front-End and directly involved in developing key features and improving understanding of Flutter in general.

Dicoding For School | Dicoding *June 2024 - August 2024*

- Actively participating in the Dicoding For School scholarship program supported by Digitalent Kominfo and Google Developers Authorized Training Partner. This program allows me to explore various interesting topics, including basic AI, data visualization, SQL, Python programming, and data analysis with Python.

Anti-Drug Student Ambassador | BNN - Karo Regency *2022 - May 2023*

- Telah menjadi Duta Pelajar Anti Narkoba dalam program yang diselenggarakan oleh BNN, dan secara aktif telah mengikuti edukasi terkait narkotika, serta meningkatkan keterampilan public speaking
- Engage in collaborative tasks to improve adaptation and teamwork, in line with efforts to socialize the dangers of narcotics in educational institutions.
